

BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984

Brighton & Hove Various Controlled Parking Zones Consolidation Order 2024 Amendment Order No.* 202* (ref: TRO-15-2026)

STATEMENT OF REASONS

The Council proposes this order to manage road space and facilitate the safe and efficient movement of vehicular traffic.

In addition, the order seeks to improve pedestrian crossing facilities at two locations on Surrenden Road: one outside Varndean College, and the other to the north of Surrenden Holt.

These sites have been identified as priorities within the Council's Safer, Better Streets programme. The proposed measures will enhance pedestrian crossing provision, improve access to nearby bus stops, and support increased levels of walking, wheeling, and cycling. They also aim to enable residents to make more sustainable travel choices.
